

EKSB-97-TP

Sealed Touchpad Keyboard With Backlight

The EKSB-97-TP by iKey® is one of the thinnest products on the market that is fully sealed and washable. It boasts a slim design and the added convenience of a built-in touchpad, along with larger keys for less data entry errors. Ideal for low-light areas, the keyboard is backlit with green LED lighting. Meeting IP67 standards to be resistant to dirt, debris and liquids, it can easily withstand medical and industrial environments along with repeated cleaning procedures.

Features:

- 12 Function Keys
- Green Backlit Keys
- Integrated Touchpad
- Green LED
- Full-Size
- USB Connectivity
- Ultra-Thin Design
- Full Sealed, IP67 Case
- Includes USB cable (Length 4' 10")

Product Code EKSB-97-TP
